INDEX TO VOLUME V *

Compiled by
W. E. BICKLEY
University of Richmond, Va.

Subject Index

Abstracts
see Reviews and Abstracts
Aedes dorsalis
in Salt Lake City, 135
Aedes lateralis
drying and viability of eggs, 98
Aedes vexans
drying and viability of eggs, 98
Aerial insect populations, 4
Alaskan mosquitoes and rotary-type trap, 8
Anniversary re-appraisal (Editorial), 23
Anal gills of mosquito larvae, 18
Anopheles albimanus
at Key West, Fla., 145
Anopheles freeborni
in Northwestern States, 121
Anopheles occidentalis
in Cayuta Lake, N. Y., 1
larval characters, 2
in Northwestern States, 121
Anopheles pseudopunctipennis
complex in Ecuador, 17
var. *levi-castilloi*, 17
in Bolivia and Peru, 19
var. *franciscanus*, 121
Anopheles punctimacula
in Colombia, 19
Anopheles punctipennis
in Northwestern States, 121
Anopheles quadrimaculatus
in Cayuta Lake, N. Y., 1
larval characters, 2
outdoor rearing in Fla., 82
Association news, 45, 55, 156
Association, constitution of, 56
Audubon Society
symposium on DDT and wildlife, 154

Bergen County, N. J., 136
Bibliography
see Literature
Boush Creek, Norfolk, Va., 117

Constitution of Association, 56
Culicine mosquitoes in cisterns, 144

DDT (See also Reviews and Abstracts)
against culicines in cisterns, 144
conference and demonstration, N. Y., 154
larvicide, 51, 54
outdoor residues for salt-marsh mosquito control, 100
paint, 20
and wildlife, 154
Delaware mosquito control equipment, 135
Directory
supplier's, 33
Disk harrow for malaria control, 140
Distribution of *Anopheles* in Northwestern States, 121
Drainage in Norfolk, Va., 117
Dredge pump, 139
Drying and viability of *Aedes* eggs, 98

Ecology of mosquitoes in southern Calif., 89
Editorial, 23, 65, 66, 109, 160
Equipment for mosquito control
in Delaware, 135
directory, 33
disk harrow, 140
dredge pump, 138
jeep, 49
mechanized, in Calif., 132
pump for salt marsh drainage, 146
in Suffolk Co., N. Y., 149
in upper Passaic River, N. J., 128

Guinea pig holder, 52

Howard-Kraus Society, 65

Jeep for mosquito control, 49

Key West, Fla.
culicines in cisterns, 144
Anopheles albimanus, 145

Labor vs. mechanized equipment in Calif., 132
Larvicides, DDT, 51
Literature for mosquito control workers, 29, 72, 113, 164
Lotus borer and mosquitoes, 50

Malaria in Northwestern States, 121
Malaria control
in Florida, 20
in Mexico, 20
in South Pacific islands, 140
in Venezuela, 63

* *Editor's Note:* An index for each volume of Mosquito News is in preparation. These indices will be published in subsequent issues of the News.

Mansonia
keys to U. S. species, 96
titillans and *indubitans* in Fla., 96
Megarhinus rutilus
in S. C., 88
Monmouth Co., N. J., 142
Mosquito control
in Bergen Co., N. J., 136
in Calif., 59, 132
in Delaware, 135
educational conference in South Jersey, 156
equipment for, see Equipment
mechanization of, 160
in Monmouth Co., N. J., 142
naturalistic methods, 50
in Norfolk, Va., 45, 117
post-war outlook, 109
in Rhode Island, 19
in South America, 19
in Suffolk Co., N. Y., 149
in upper Passaic River, N. J., 128
by tidewater circulation, 77
training course in Calif., 22
training course in N. J., 59, 128
Mosquito lore, 66
Mosquito migration in Salt Lake City, 134
Mosquitoes in San Diego and Imperial Counties, Calif., 89

National Malaria Society, 1944 meeting, 21
New Jersey Mosquito Extermination Association
program, 1945 annual meeting, 60
New Orleans, La.
Orthopodomyia alba at, 131
News and notes (see also Reviews and Abstracts), 19–22, 45, 55–64, 153–159
Norfolk, Va.
Boush Creek drainage, 117
Northwestern States
Anopheles and malaria in, 121

Obituaries
Fred L. Hayes, 156
John Harrison Spackman, 104
Orthopodomyia alba
at New Orleans, La., 131

President Ruth's induction, 105
Psorophora mexicana in U. S., 86
Pump for salt marsh drainage, 146

Rearing of *Anopheles quadrimaculatus*, 82
References
see Literature
Reviews and Abstracts (see also News and Notes), 25–28, 67–71, 110–111, 162–163
